

## **FISCAL NOTE**

### **SB 2583 - HB 2584**

January 18, 2008

**SUMMARY OF BILL:** Authorizes local education agencies (LEAs) to provide hearing examinations for children who are unable to pay for such tests.

#### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

**Increase Local Gov't. Expenditures – Not Significant/Permissive**

Assumptions:

- Any increase in expenditures for local governments is permissive. Current law permits but does not require LEAs to provide dental and eye examinations at free or reduced cost to those children who could not otherwise afford the service. LEAs are encouraged to seek alternative methods of service provision such as private monetary donations or service from health care providers.
- No state appropriations will be made for this purpose.
